All about Chrysalis

What is a Chrysalis Flight?

Chrysalis Flights are three-day spiritual renewal retreats that provide participants an opportunity to learn more about faith, to experience Christian love and support, and to make new commitments in their faith journey. The content of the three days focuses on God's grace, how we experience Christ as friend in the body of Christ, and how we are called into discipleship by sharing God's love with the world.

The growth stage between caterpillars and butterflies is called a Chrysalis. While on the surface it may look like nothing is happening, a delicate process changes the caterpillar into a butterfly with wings and beautiful colors. For Christians this can symbolize dying to self, with Christ transforming us into new beings. The Chrysalis weekend can help open us to this transformation through Jesus.

Chrysalis is the name chosen for the Flight weekends and is for youth ages 14-18 (High School age). It symbolizes the spiritual growth that is necessary between adolescence and adulthood. A crucial time of maturing faith and discipleship, Chrysalis has its roots deeply planted in its parent movement, Walk to Emmaus.

What will I do at a flight?

You will spend three days with other young people in worship, prayer, fellowship, recreation, singing and discussion. You will experience the love of Christ through the prayers and the support of a loving community. Talks, given by youth and adults, will focus on the needs of maturing youth and young adults through the gospel, friendship and example of Jesus Christ. Each day you will hear five talks, followed by discussion and reflection on how these messages can encourage your personal faith. The discussions explore how friendship

with Jesus can help you live out your faith with family, friends, and other people in your world.

Who should go to Chrysalis?

Chrysalis is for the development of Christians who:

- o Wish to gain a fuller understanding of God's love
- o Wish to strengthen their friendship with Christ
- o May have unanswered questions about what it means to be a Christian
- o Understand that being Christ's friend, or Christian involves responsibility
- o Are open to dedicating their everyday lives to God.

To participate in a Chrysalis flight, fill out this registration form. To obtain more information about Chrysalis contact the Registrar listed the reverse.

What happens after Chrysalis?

After your Chrysalis experience you will continue exploring your dynamic friendship with God through Jesus by participation in your local church, small group studies, and interpersonal sharing groups. You are invited to build upon your Chrysalis experience for the rest of your life, to spread your wings every day.
